

Maor ovadya

Front - End Developer

Dedicated And Passionate About Programming Languages, I Specialize In Developing Both Front-End And Back-End Applications. Eager To Tackle New Challenges In The Dynamic Field Of Technology, I Excel As A Collaborative Team Player Who Values The Group's Success, The Iterative Process, And The Achievement Of Shared Goals. Equally Confident And Adept At Working Independently, I Pride Myself On Being A Quick Learner, Adapting Seamlessly To Evolving Technologies.
